Through this letter I, Baudelia Silva and Manuel, would like to thank you for all the hard work that you did to our house. We love the way our house looks & all the work that was done to it. Thank You Sir Justin. Thank you for being so kind and caring to us. We weren't able to express our gratitude to you in person due to our language barrier but, through this letter we would like to thank you and express our gratitude for all the hard work you did to our home and especially for using your personal money to buy the stove that we really wanted. May God Bless you always for all the wonderful deeds you do for others. Thank you for caring so much for us and for treating people really nice. Once Again, Thank you for everything.
